Camps, Programs and Summer Fun!

Has your little one been working diligently to master the next card trick, attempting to pull a rabbit out of a top hat, or resolutely trying to read your mind? If so, it's time to let them explore their fascination with magic, and No Sleeves Magic Camp is just the place!

Taking place at UNCW, No Sleeves Magic Camp offers a fun, structured day program that is sure to indulge your child in an exciting quest to learn the secrets of magic! The days are packed full of hands-on training for trick mastery, live entertainment, field trips, surprise guests, and a well-structured curriculum that helps improve dexterity, character, and confidence. Students of magic receive a camp T-shirt and camp bag, where they will collect a new trick each day, not to mention pizza and drinks on Friday at the graduation celebration!

Director Michael Rosander says, "Magic provokes natural intrigue and joy in both children and adults, but our curriculum is also designed to enhance science and math skills by incorporating education and problem-solving in the exciting exposition of secrets and magic." Voted *Best Family Entertainer* for 2 years in a row and *Best Day Camp* by the Wilmington Parent magazine, No Sleeves Magic Camp is sure to be the most exciting summer camp experience yet!

Let your child be a part of the adventure this summer! Sign up for camp and learn more about our programs and services by visiting our website, www.NoSleevesMagic.com, or call 910-200-5300 for more information.
